

Nettles Max-V

DESCRIPTION

Nettles Max-V, provided by Douglas Laboratories, supplies 250 mg of standardized nettles extract in each vegetarian capsule.

FUNCTIONS

As men age, the function of their prostate gland tends to change. This change during the normal aging process can cause alterations in the functioning of urinary health, including hesitancy, urgency, and increased frequency of urination. *Urtioca dioica*, also known as nettles, is an herb thought to play important roles in supporting a healthy prostate. Nettles is also used to support healthy joint and respiratory functioning.

INDICATIONS

Nettles Max-V may be a useful dietary adjunct for individuals wishing to supplement with this herb.

FORMULA (#77359)

1 Vegetarian Capsule Contains:

Nettles(standardized)	250 mg
Nettles(non standardized)	100 mg

SUGGESTED USE

Adults take 1 capsule 3 times daily with meals or as directed by your health care professional.

SIDE EFFECTS

No adverse side effects have been reported.
